THE ELECTION COMMISSION OF INDIA, NEW DELHI

ELECTION PETITION No. 370 OF 1957

*Election Petition in the matter of election to the Dausa House of the People Constituency*

Shri Fateh Singh s/o Shri Narain Singhji, resident of Sanganeri Gate, Shankotra House, Subzimandi, Jaipur City—*Petitioner.*

*Versus*

Shri Gajadhar Somani son of Shri Hazari Mal Somani, resident of Shriniwas House, Waudby Road, Bombay No. 1—*Respondent.*

( 1879 )

The humble petition of the above named petitioner.

Most Respectfully Sheweth:

1. That the petitioner was the nominated candidate at the election detailed above and is entitled to present this petition.

2. That the counting of votes took place on 14th and 15th March, 1957 with the following result:—

(i) Shri Gajadhar Somani	..	..	..	..	..	54817
(ii) Dr. Nand Lal Sharma	..	..	..	..	..	41486
(iii) Shri Fateh Singh	..	..	..	..	..	33100
(iv) Shri Th. Guman Singh	..	..	..	..	..	10423

3. That the respondent was declared elected on 15th March, 1957 having secured the majority of votes.

4. That the respondent asserts that the election of respondent is void and is liable to be set aside on the following grounds:—

- (i) That the respondent himself and through his agents committed the corrupt practice of bribery in the form of;
  - (a) That one Shri Lallu Lal Qanungo who had filed his nomination paper, had withdrawn after the scrutiny of nomination papers as he was paid Rs. 5000/- by respondent through Bansidhar Rambilas, Commission Agents, Ramganj Bazar, Jaipur.
  - (b) that a large number of electors were paid Re 1/- each by the agents of Respondent with the object of securing votes for respondent.
  - (c) that sweets at every polling station were distributed to the electors to secure their votes.

The detailed particulars and instances are set out in Schedule I.

5. That the said respondent himself and through his agents unduly influenced the electors in the form of:

- (i) that in the mosques meetings of the Muslims were held and the Mullas gave a 'FATVA' that the Muslims should vote for Shri Somani who was a congress candidate. In case Muslims did not vote for the said congress candidate they will be annihilated and they will be sent to Pakistan and will be subjected to the wrath of ALLAH. The Muslim Electors out of fear did not exercise the electoral right freely and were thus unduly influenced to vote for the respondent. The aforesaid 'Fatva' was widely propagated throughout the constituency particularly amongst the Muslim voters. Particulars of the places where the meetings were held and other details are set out in Schedule II.

6. That the said respondent and his agents procured vehicles for the conveyance of electors to the Polling stations and back to their places. The details of polling stations to which the electors were so carried out on conveyance and other particulars are set out in detail in Schedule III.

7. That the said respondent far exceeded the prescribed maximum limit of election expenses.

8. That the return of election expenses lodged by the said respondent is false in material particulars, and it has been so done with the corrupt motive.

The details of excess expenses over the maximum and the material particulars which are omitted from the return of expenses are set out in detail in Schedule IV.

9. That the said respondent, his agents and many others further propagated the false statement that the petitioner had withdrawn from the contest for the Dausa House of the People Constituency and was only contesting the election for Jamwa Ramgarh Rajasthan Assembly Constituency. The said false statement was published and was reasonably calculated to prejudice the prospects of election of your petitioner and such publication actually resulted in a large number of voters being misled and not voting for the petitioner for the said election. The details are set out in Schedule V.

10. That one Shri Srinarayan had also submitted his nomination paper but his nomination paper was rejected by the Returning Officer, on the ground that

against col. No. 2 the Parliamentary Constituency in which the proposer was enrolled was not mentioned and therefore, the Returning Officer thought that he could not satisfy himself about the requirements of sub section 4 of section 33 of the Representation of the People Act, 1951.

11. The petitioner asserts that the nomination paper of Sri Shrinarayan was improperly rejected on the following grounds:—

- (a) That under the law it was not necessary to mention the name of the constituency where the proposer is a voter.
- (b) That there was sufficient indications that the serial number of Shri Srinarayan referred to the electoral roll of Dausa Parliamentary Constituency for which the Nomination paper was submitted.
- (c) That under sub-section 4 of the section 33: of the said act while examining the Nomination paper on presentation it was incumbent on the returning officer to have satisfied himself that the names and electoral roll numbers of the proposer entered in the nomination paper are the same as those entered in the electoral rolls. The words electoral rolls mentioned in this sub-section referred to the electoral rolls for which Shri Narain Dass Mehta was the Returning Officer, it did not refer to any other roll of any other Constituency. As Shri Narayan Das Mehta was Returning Officer only for Dausa House of People Constituency he was in possession of only electoral rolls for the Dausa House of the Peoples Constituency and as such he should have referred to the electoral roll of the said constituency.
- (d) That by mentioning the serial number and the part of the Electoral Roll the entry against column No. 2 was in full compliance with the provisions of law.
- (e) That if the returning officer had looked into part No. 38 of the Dausa House of the People Constituency Electoral roll he could without any difficulty find out the name and serial number 9 in that electoral roll of the proposer.
- (f) That on presentation of the nomination paper it was incumbent on the Returning Officer to have satisfied himself with regard to the names and electoral roll numbers of the candidate and his proposer as entered in the Nomination paper, and he was to be satisfied that the said roll numbers were the same as those entered in the electoral rolls. The Returning Officer had satisfied himself as aforesaid on presentation of the nomination paper otherwise he would have permitted the correction if there was any error in the nomination paper when the Returning Officer had already satisfied himself as required under section 33(4) and therefore the question of his further satisfaction could not arise while scrutinising the nomination paper.
- (g) That the nomination paper of Shri Shri Narain was presented at 12.5 noon on the 29th the last date for the presentation of nomination papers. If the Returning Officer had not been satisfied with the entries in the nomination paper as required under section 33(4) of the said Act either that should have allowed the correction or he should have pointed it out that he was not satisfied with the entries so that Shri Srinarayan could file another nomination paper under section 33 sub clause 6 of the said Act.
- (h) That there was neither any dispute with regard to the identity of the candidate nor that of the proposer and as such the nomination paper could not be rejected.
- (i) That the provisions of section 33 and section 34 was fully complied with and there being no non-compliance of section 33 or of section 34, the Returning Officer had no jurisdiction to reject the nomination paper of Shri Shrinarain.
- (j) That even under Section 36 sub clause 2 a nomination paper cannot be rejected on the ground of any defect which is not of a substantial character even if non-mentioning of the Parliamentary Constituency against col. No. 2 of the nomination paper is at all to be regarded as a defect, the defect not being of substantial character the nomination paper could not be rejected.

(k) That the Returning Officer had no jurisdiction to reject the nomination paper on the grounds set forth in his order.

12. That your petitioner asserts that the election of respondent is materially affected by the Commission of aforesaid corrupt practices, and but for the aforesaid corrupt practices the respondent could not secure the majority of votes.

13. That the petition is presented within time.

14. That your petitioner has deposited as security the amount of rupees one thousand the receipt whereof is enclosed herewith.

#### PRAYER

*Your petitioner humbly prays—*

- (i) That the petition be accepted.
- (ii) That the election of respondent be set aside.
- (iii) That it be declared that the election of respondent is void;
- (iv) That any other relief that is deemed necessary under the circumstances of the case be granted;
- (v) That costs be awarded.
